Juan José Pischetz

FullStack Developer

✉ juanjo.pischetz@gmail.com 📍 San Luis, Argentina ○ @JuanjoPischetz

Glad to see you here!

I'm a full-stack developer, passionate about programming, so I constantly like to learn new technologies. Furthermore, I want to develop platforms that impact people's lives, improving their quality of life.

10 years of experience in entrepreneurship led me to develop a wide range of soft skills. I´m a proactive, emphatic leader who loves to motivate team members to achieve the project´s goals, I can deal with pressure and accomplish deadlines.

Professional Experience

MVP PawsFounding, *HENRY (professional practice)*   11/2022 – 12/2022
My role here was project manager/developer. Cause
I recruited the team and laid the foundations of the product design, the objective to
be met, and the first user stories. furthermore mainly worked on the frontend,
highlighting geolocation as my main achievement.

Stack: TypeScript - Prisma - MongoDB
React -Redux Toolkits - Tailwind CSS
